

Milestones Community Healthcare, Inc.

Milestones Community Healthcare, Inc. would like to congratulate Jessie Anderson, employee of the month for June.

Jessie Anderson of Punxsutawney has been named Employee of the Month for June at Milestones Community Healthcare Inc. Although she has been on the job only since February 2005, Jessie has been recognized for her remarkable work ethic and dedication to her position.

Commenting on Anderson, Dana Monroe, VP/CCO at Milestones, said, "Jessie is the central hub for our office, and she is able to juggle all of her responsibilities and remains a positive and friendly person to be around. She is an asset to our organization, and we enjoy having her in our office environment. She undoubtedly deserves the Employee of the Month recognition for all of her hard work."

When asked what she enjoys about her work, Jessie replied, "As administrative assistant at Milestones, I enjoy being able to interact with all of the staff, as well as our families to whom we provide services."

Commenting that she feels "truly fortunate to be working at Milestones" because her colleagues are "talented, caring individuals," Anderson explained that Dana Monroe has helped to establish "a very nurturing environment. It is her leadership, compassion, and caring attitude towards her employees and the families Milestones serves that drive each of us to do our best. As a team, we come together to work towards our common goal, which is to provide the best services for emotional and behavioral health support to the families in our community, and I am proud to be part of that team!"

Outside the office, Jessie serves as a Eucharistic Minister at Ss. Cosmas & Damian Roman Catholic Church. Her spare-time activities include baking, walking and spending time with her family and friends.

Milestones Community Healthcare Inc. provides emotional and behavioral health services to children and families to local communities. In addition, they offer licensed private schools for students with educational and behavioral health needs.

Please visit the website at www.salish.com or stop at the local office at 200 East Mahoning St. for additional information about Milestone's program.

Congratulations to Jessie Anderson, Milestones' June Employee of the Month.
